

Redmond Arts Commission Call for Regional Artists for ORSCC Gallery Program

Thank you for your interest in exhibiting your artwork in the City of Redmond.

The Old Redmond Schoolhouse Community Center (ORSCC) is located at 16600 NE 80 St. It is a 1922 two story brick building that houses the offices of the Recreation Division, Arts Commission, and Redmond Historical Society along with recreation program classes, a preschool program and rental spaces. Because of its central location, the Redmond Arts Commission (RAC) and Redmond Parks and Recreation Department have established a rotating gallery space at this historic facility.

We present rotating shows featuring two-dimensional work by local and regional artists. Artwork is for sale. We accept applications for consideration **on an ongoing basis** from artists wishing to exhibit their work. Accepted artists will be notified by phone or email. Slides or CD's will be returned to artists who are not accepted (if a self-addressed, stamped envelope is provided).

The Community Center is secured by an alarm system but the hallways are not monitored at all times. Your artwork is covered by the City's insurance for 50% theft but not damage. Therefore if your work is selected and you decide to show your work in our gallery, you assume the possible risk of damage or theft. We recommend that you have insurance for your artworks on loan to the City. The value limit of the work exhibited is \$8,000 per show. A 25% commission is charged for sales made during or within two weeks following the exhibit period. A City of Redmond business license is required only if work is sold.

INSTALLATION

If selected, you will be contacted to schedule an installation date and time. We ask that all art arrive with the means to hang, as we use a wire and hook hanging system. There is a 30-pound weight limit. The artist or a local artist representative must be available to assist in the installation and removal of the exhibition on the scheduled dates. Dimensions of the gallery space are available but a site visit is highly recommended prior to installation. Labels are provided.

APPLICATION INSTRUCTIONS

To apply, artist must submit an application consisting of:

- Up to 10 images of your work (see below for details)
- Image list form
- A completed bio form and attach a copy of your artist statement
- A resume related to your art experiences
- A self-addressed stamped envelope, if you want your slides or CD returned to you

Please label everything submitted with your name. Images may be submitted on slides, on CD, or online to rac@redmond.gov. For slides, label each slide with the name of the artwork, artist's name, dimensions and a number corresponding to the image list. For CDs, label the CD and put the name of the file on the image list. For web sites, put the web site URL at the top and, for each image, either a URL or a short description of how to find it on your web site.

If you are providing digital images, please send us images that are large enough to clearly show the quality of your artwork on a typical monitor size of 1024x768 and also provide close-ups when necessary for us to see the detail of large pieces. Files can be in TIFF or JPEG format.

If your artwork has properties that are not well represented in photographs, such as transparency, reflection, or 3-dimensionality, please let us know.

If your artwork is chosen to be exhibited, we will need one high quality image that is unobscured and at least 1500 pixels in its longest direction for publicity purposes (postcards, publications, website, etc).
